# STUDIO HOUSEKEEPING

## GENERAL:

- Please keep the front door closed at all times. We can provide you with a FOB to enter/exit.
- Please leave the studio as you found it.
- For any inquiries before your booking, please contact us directly. The studio is a dry hire, meaning it will be a basic setup unless other arrangements are made in advance.
- You'll have full access to the entire downstairs area, including both studios.
- Feel free to bring your own food, or if you prefer to eat out, that's also an option.
- Upon arrival, a team member will give you a tour of the space. If you have any specific requirements for bump-in or access, please let us know ahead of time.

## CYCLORAMA:

- Do not step on the curve.
- Do not place heavy objects on the cyclorama floor without protection i.e. a rug or mat.
- If possible, please wear socks on the cyclorama. If shoes must be worn, use one of the rugs or booties provided at the entrance of the cyclorama before walking on it.
